DEPARTMENT OF ENERGY

REPUBLIC ACT NO. 7638

This Act created the Department of Energy Rationalizing the Organization and Functions of Government Agencies Related to Energy and For Other Purposes, which took effect on December 28, 1992.

VISION STATEMENT

Within the next decade, by encouraging greater private sector participation and in partnership with our stakeholders, we would have:

- Achieved total and reliable energization and energy self-sufficiency;
- Developed our indigenous and renewable energy resources;
- Actively promoted sustainable and efficient use of energy as well as the utilization of cleaner energy and technologies;

- Developed alternative fuels for commercial applications; and
- Successfully implemented reforms in the energy sector which have brought about a competitive environment, consumer satisfaction and empowerment.

We are globally recognized institution for energy policy, research and technology management, with comprehensive data and information systems, responsive to the needs of our stakeholders.

We are a center of excellence: a focused, dynamic, socially-responsive, competent, motivated organization, committed to efficient service with integrity, nationalism and professionalism, working under an environment of harmony and respect.

MISSION STATEMENT

We, at the Department of Energy, in partnership with our stakeholders, shall improve the quality of life of the Filipino, by formulating and implementing policies and programs to ensure sustainable, stable, secure, sufficient, accessible and reasonably-priced energy.

In pursuit of this mission, we commit to render efficient service with utmost integrity and professionalism.
