

COAL

During the PECR 2006, 14 coal prospects were offered in Quezon, Negros Occidental, Cebu, Surigao del Sur, Agusan del Sur, Davao Oriental and Zamboanga-Sibugay. This resulted to two (2) new coal operating contracts over areas in Cebu and one over an area in Zamboanga-Sibugay.

As of September 2008, there are 44 existing coal operating contracts (18 for exploration and 26 for development/production) in various parts of the country.
