

## ABOUT US

The Department of Energy was created by virtue of Republic Act No. 7638 otherwise known as the Department of Energy Act of 1992

DOE is mandated to prepare, integrate, coordinate, supervise and control all plans, programs, projects and activities of the Government relative to energy exploration, development, utilization, distribution and conservation.

## MISSION

We at the Department of Energy, in partnership with our stakeholders, shall improve the quality of life of the Filipino by formulating and implementing policies and programs to ensure sustainable, stable, secure, sufficient, accessible and reasonably-priced energy.

In pursuit of this mission, we commit to render efficient service with utmost integrity and professionalism.

## VISION

A globally-competitive DOE powering up Filipino communities through clean, efficient, robust and sustainable energy systems that will create wealth, propel industries and transform the lives of men and women and the generations to come.

## DEPARTMENT OF ENERGY

### ATTACHED AGENCIES

### AND PARTNERS

### A PRIMER

Whereas, Section 5 of Republic Act No. 7638, as amended by Section 37 of Republic Act No. 9136 or the Electric Power Industry Reform Act of 2001 (EPIRA), mandates the Department of Energy (DOE) to, among others, 1) ensure the reliability, quality and supply of electric power, and 2) establish and administer programs for the exploration, transportation, marketing, distribution, utilization, conservation, stockpiling and storage of energy resources of all forms, whether conventional or non-conventional.

In fulfilling its mandate, the agency is overseeing the functions of the following attached agencies:

### National Power Corporation (NPC)

NPC is the government power generation arm that provides power generation and its associated power delivery systems in areas that are not connected to the transmission system, through the Small Power Utilities

Group (SPUG). It is also tasked to manage the watersheds and dams, to operate and maintain the generation assets of the government being privatized pending their disposal.

Tel. no.: 8921-3541 to 80 TeleFax no.: 8921-2468

Email Address: [corpcommenapocor.gov.ph](mailto:corpcommenapocor.gov.ph)

📍 BIR Road cor. Quezon Ave. Diliman Quezon City

### National Transmission Corporation (TransCo)

TransCo, after the turnover of management and operations of nationwide transmission system to NGCP, remains the owner of the transmission assets. As part of its mandate to protect the national government's interests, TransCo is responsible for monitoring NGCP's compliance to the terms and conditions outlined in their concessionaire agreement and other relevant laws.

Email Address: [customerservice@transco.ph](mailto:customerservice@transco.ph)

📍 National Transmission Corporation Power Center, Quezon Ave. cor. BIR Road, Diliman 1101, Quezon City

### Power Sector Assets and Liabilities Management Corporation (PSALM)

PSALM manages the orderly sale, disposition and privatization of NPC's generation and TransCo's transmission assets, real estate

and other disposable assets, and Independent Power Producers (IPP) contracts with the objective of liquidating all NPC financial obligations and stranded contract costs in an optimal manner.

📍 24th Floor Vertis North Corporate Center 1 Astra corner Lux Drives, North Avenue, Quezon City 1105

### National Electrification Administration (NEA)

NEA is tasked to strengthen the technical capability and financial viability of rural electric cooperatives (EC) to prepare them for a deregulated electricity market and

open access. NEA supervises the ECs nationwide to cater the needs of Member-Consumer-Owners (MCOs) in the rural areas.

Tel. no.: (632) 8929-1909

📍 57 NEA Building, NIA Road, Government Center, Diliman, Quezon City

### Philippine National Oil Company (PNOC)

PNOC is the government's corporate arm in terms of the exploration of the country's indigenous oil. Eventually, amendments to its charter were made to include the exploration, exploitation, and development of all energy

resources with the purpose of bringing energy independence to the country.

Tel. no.: (632) 8789-7662

📍 Building 6, Energy Center, Rizal Drive, Bonifacio Global City Taguig 1634, Metro Manila

Aside from the DOE attached agencies, the DOE is also closely coordinating with the following partners to ensure sustainability of the power industry:

### Energy Regulatory Commission (ERC)

ERC is an independent, quasi-judicial regulatory body vested with broad regulatory and monitoring functions over the Philippine electric power industry. ERC is tasked with ensuring

consumer education and protection, as well as promoting competitive operations in the electricity market.

For Consumer Complaints contact details:

📍 Energy Regulatory Commission, Exquadra Tower 1 Jade Drive, Ortigas Center, Brgy. San Antonio, Pasig City 1605, Metro Manila

### Philippine Electricity Market Corporation (PEMC)

PEMC is a non-stock, non-profit corporation that governs the Wholesale Electricity Spot Market (WESM), the trading floor for power supply in the country.

Tel. no.: (632) 8631-8734

Email Address: [pemc.info@wesm.ph](mailto:pemc.info@wesm.ph)

📍 18F Robinsons Equitable Tower ADB Avenue, Ortigas Center Pasig City 1600

### Independent Electricity Market Operator (IEMOP)

IEMOP functions as the Market Operator of the Wholesale Electricity Spot Market and the Central Registration Body for Retail Competition and Open Access.

Tel. no.: (632) 5 318-9376 Email Address: [info@iemop.ph](mailto:info@iemop.ph)

📍 9th Floor Robinsons Equitable Tower ADB Avenue, Ortigas Center, Pasig City

### National Grid Corporation of the Philippines (NGCP)

NGCP is the sole transmission concessionaire in the country and is tasked to operate,

maintain, and further expand the national power grid as part of the reform in the local power sector.
