

**LIST OF GENERATION COMPANIES ISSUED WITH 2ND INDORSEMENT**  
**(1st Indorsement by the Securities and Exchange Commission)**  
as of July 2015

	NAME of COMPANY	PRIMARY/SECONDARY PURPOSE	DATE ISSUED
<b>2015</b>			
688	KAMANGA AGRO-INDUSTRIAL ECOZONE DEVELOPMENT CORPORATION <b>(Amendment)</b>	THIRD ARTICLE: that the place where the principal office of the corporation is to be established or located is at the 4th Floor Alphaland Southgate Tower, 2258 Chino Roces Avenue corner EDSA, Makati City, Philippines; SEVENTH ARTICLE: that the authorized capital stock of the corporation is SIXTY MILLION PESOS (PhP 60,000,000.00), in lawful money of the Philippines, divided into Sixty Million (60,000,000) shares with a par value of One Peso (PhP 1.00) per share;	5-Jan-15
689	ASIAN HUB CORPORATION <b>(Amendment)</b>	to be established is at 09 Kentucky Lane, Kalaklan, Olongapo City, Province of Zambales	7-Jan-15
690	CENTRAL LUZON PREMIERE POWER CORP.	to carry on the business of producing and generating electricity and processing fuels alternative for power generation, including expanded operation of energy supply base and the generation and cogeneration of electric power, as well as the supply and consolidation of the electric power demand of end-users, and to carry on all services incident and/or ancillary to the above, including without limitation, the construction, assembly, testing, commissioning, operation, maintenance, rehabilitation and management of power generating plants	9-Jan-15
691	LIMAY PREMIERE POWER CORP.	to carry on the business of producing and generating electricity and processing fuels alternative for power generation, including expanded operation of energy supply base and the generation and cogeneration of electric power, as well as the supply and consolidation of the electric power demand of end-users and to carry on all services incident and/or ancillary to the above	9-Jan-15
692	PURE GENERATION & TRANSMISSION, INC. <b>(Amendment)</b>	FIRST ARTICLE: which now states that the Corporation shall be: PURE GENERATION & TRANSMISSION, INC. (formerly: Pure Transmission, Inc)	9-Jan-15
693	MARIVELES POWER GENERATION CORPORATION	to carry on the business of producing and generating electricity and processing fuels alternative for power generation, including expanded operation of energy supply base and the generation and cogeneration of electric power, as well as the supply and consolidation of the electric power demand of end-users and to carry on all services incident and/or ancillary to the above, including, without limitation, the construction, assembly, testing, commissioning, operation, maintenance, rehabilitation and management of power generating plants, substations and related facilities and equipment, to engage in the promoting, marketing and sale of such electric power and to engage in all other businesses incidental to the foregoing, including but not limited to, the sale of by-products of power generation	9-Jan-15
694	SINDICATUM RENEWABLE ENERGY PHILIPPINES	to engage in the construction and such other allied business including the supply, assembly, erection, commissioning, constructing, enlarging, repairing, removing, developing, or otherwise engage in any work upon buildings, roads, highways, manufacturing plants, solar energy generating plants, ports and port equipment, bridges, all iron, steel wood masonry and other earth construction, and to make, execute, bid for and to take or receive contracts or assignment of contracts therefore, or in relation thereto, or connected therewith (the "Projects"); and the doing and performing of any and all acts and things necessary, proper or convenient for and incidental to the furtherance and/or implementation of the purposes therein mentioned provided, however that the Projects to be undertaken by the Corporation are either registered under the build-rehabilitate-operate-transfer arrangements pursuant ti Republic Act No. 6957, as amended or under the Renewable Energy Act of 2008, as amended	13-Jan-15
695	GDF SUEZ ENERGY PHILIPPINES, INC. <b>(Amendment)</b>	<b>THIRD ARTICLE:</b> that the principal office of the Corporation shall be located at Unit 2201, The Trade and Financial Tower, 7th Avenue corner 32nd Street, Fort Bonifacio, Global City, Taguig City <b>SEVENTH ARTICLE:</b> that the authorized capital stock of the corporation is Twenty Two Million, Nine Hundred Thousand Pesos (PhP 22,900,000.00), Philippine Currency, divided into Two Hundred Twenty Nine Thousand (229,000) common shares with a par value of One Hundred Pesos (PhP 100.00) per share	13-Jan-15
696	PURA ELECTRIC CO., INC. <b>(Amendment)</b>	that the principal office of the Corporation shall be located at 8th Floor, Basic Petroleum Building, Carlos Palanca Street, Legaspi Village, Makati City	14-Jan-15
697	FIRST GEN ECOPOWER SOLUTIONS, INC. <b>(Amendment)</b>	the authorized capital stock of the Corporation is TWO BILLION PESOS (PhP 2,000,000,000.00) in lawful money of the Philippines, divided into: 1. Five Hundred Million (500,000,000) common shares with a par value of One Peso (PhP 1.00) per share or Five Hundred Million Pesos (PhP 500,000,000.00); and Fifteen Million (15,000,000) preferred shares with a par value of One Hundred Pesos (PhP 100.00) per share or One Billion Five Hundred Million Pesos (PhP 1,500,000,000.00)	14-Jan-15
698	GREENASIA RENEWABLE ENERGY CORP	to engage in all aspects of exploration, assessment, development, and utilization of renewable energy sources, including the procurement, acquisition, importation, construction, installation, erection, ownership, lease, operation and maintenance of edifices, structures, facilities, materials, machinery and equipment, for or related to the generation and sale of power	21-Jan-15

LIST OF GENERATION COMPANIES ISSUED WITH 2ND INDORSEMENT (1st Indorsement by the Securities and Exchange Commission) as of July 2015			
	NAME of COMPANY	PRIMARY/SECONDARY PURPOSE	DATE ISSUED
699	PLEIADES ZERO CARBON ENERGY INC.	to engage in the business of development, investment, acquisition, installation, operation and maintenance, and sale of renewable energy facilities including generation of heat and power/electricity sales and distribution	22-Jan-15
700	CENERTEC FMG POWER CORPORATION	to construct, erect, assemble, commission, own, manage and operate power-generating plants and related facilities for the conversion into electricity for supply, sale and distribution to distributors and/or end users	23-Jan-14
701	PALADIUM POWER SYSTEMS COMPANY, INC. (Beyond Jurisdiction)	to engage in, conduct and carry on the business of electric power industry in improving energy efficiency, maintenance, installation, facilitate, package, supplier and importer of electric power equipment and accessories/auxiliaries without engaging in the power generation activities	22-Jan-15
702	POWERSOURCE PHILIPPINES DEVELOPMENT CORPORATION (Amendment)	the capital stock of the Corporation is Two Hundred Twenty Million Pesos (PhP 220,000,000.00), Philippine currency, and said stock is divided into: (a) One Hundred Sixty Thousand (160,000) shares of Class A common shares with a par value of Four Hundred Forty Pesos (PhP 440.00) per share ("Common A Shares"); (b) Two Million Four Hundred Thousand (2,400,000) shares of Class B common shares with par value of Forty Four Pesos (PhP 44.00) per share (Common B Shares); (c) Forty Thousand (40,000) shares of Class A preferred shares with a par value of Four Hundred Forty Pesos (PhP 440.00) per share ("Preferred A Shares") ; and (d) Six Hundred Thousand (600,000) shares of Class B preferred shares with par value of Forty Four Pesos (PhP 44.00) per share ("Preferred B Shares"). Common A Shares and Common B Shares are hereinafter collectively referred to as "Company Common Shares" while Preferred A Shares and Preferred B Shares are hereinafter collectively referred to as "Company Preferred Shares". The Company Common Shares and the Company Preferred Shares shall be collectively referred to as the "Company Shares"	28-Jan-15
703	ISLA DEL FUEGO POWER UTILITY SERVICES CORPORATION (Amendment)	that the place where the principal office of the Corporation is to be established or located is at Barangay Candanay Sur, Siquijor, Siquijor	28-Jan-15
704	VIVOPOWER RE SOLUTIONS, INC.	to carry on the business of exploring, developing and utilizing renewable energy resources, such as, but not limited to, solar sources of heat and power; to enter into and perform service contracts (including, without limitation, solar service contracts) and any other arrangements allowed by applicable law with the government, and to enter into and perform contracts and arrangements with any entity, including operating, managing, maintaining and rehabilitating solar energy systems, including bulk procurement, marketing and setting up of arrangements and brokerage of the same solar energy systems as necessary for the generation, transmission, distribution and sale and delivery of electricity to domestic, commercial, industrial users or distribution companies, and the acquisition and/or lease of franchises from private and/or government entities, own properties, and do such acts and things, all incidental pursuant, or related to, in furtherance of, implied in, or conducive to the attainment of, the foregoing, or that may be conveniently carried on and done in connection therewith, subject to the limitations prescribed by law	28-Jan-15
705	VIVOPOWER PHILIPPINES, INC.	to carry on the business of exploring, developing and utilizing renewable energy resources, such as, but not limited to, solar sources of heat and power; to enter into and perform service contracts (including, without limitation, solar service contracts) and any other arrangements allowed by applicable law with the government, and to enter into and perform contracts and arrangements with any entity, including operating, managing, maintaining and rehabilitating solar energy systems, including bulk procurement, marketing and setting up of arrangements and brokerage of the same solar energy systems as necessary for the generation, transmission, distribution and sale and delivery of electricity to domestic, commercial, industrial users or distribution companies, and the acquisition and/or lease of franchises from private and/or government entities, own properties; to lease rooftop solar panels, inverters, and other equipment and accessories to customers to enable them to generate their own electricity for either commercial or residential use; and do such acts and things, all incidental, pursuant, or related to, in furtherance of, implied in, or conducive to the attainment of, the foregoing, or that may be conveniently carried on and done in connection therewith, subject to the limitations prescribed by law	28-Jan-15
706	LUMBANG SOLAR POWER CORP.	to engage in the generation and sale of electricity by searching, discovery, exploration, development and processing of renewable energy resources, such as but not limited to geothermal energy, wind power, solar power, hydropower, biofuels and biomass, and transforming into marketable electricity, particularly by developing, building, installing, commissioning, owning, managing and operating and maintaining solar power plants, including the importation of any and all power generating plant, equipment, implements, and its accessories; to engage in waste management, specifically the collection, transportation, transfer, storage, separation, processing, recycling and disposal of various waste materials in produce by human activity (whether solid, liquid, or gaseous, hazardous or non-hazardous, domestic, industrial or medical), including the recovery of resources from such waste materials in order to reduce the adverse effect or impact on human health, local aesthetics, and the environment in general, including the process of capturing, recovering, harnessing, and appropriating the various gases, chemical reactions, or by-products emitted from such waste, in order to affect reduction thereof, and integrating these process in the generation and sale of safe and reliable electricity; and to engage in the general generation of electricity of whatsoever source or nature and the sale of such products; and to act as Aggregator engaged in consolidating electric power demand of end-users in a Contestable Market for the purpose of purchasing and reselling on a group basis	30-Jan-15

LIST OF GENERATION COMPANIES ISSUED WITH 2ND INDORSEMENT (1st Indorsement by the Securities and Exchange Commission) as of July 2015			
	NAME of COMPANY	PRIMARY/SECONDARY PURPOSE	DATE ISSUED
707	ASTRONERGY DEVELOPMENT F1, INC.	to carry on the general business of generating power derived from solar energy and other viable sources of renewable power for lighting and power purposes, and whole selling the electric power to private electric utilities, electric cooperatives, the spot market and/or other consumers, and for the carrying on of all business incident thereto, including acquiring, building, constructing, owning, maintaining and operating all necessary and convenient buildings, structures, machinery, sub-stations, transmission lines, poles, wires, and other things and devices, and to acquire and hold water and flowage rights and to acquire, lease, hold, occupy or use lands, rights of way and easements therein	3-Feb-15
708	ASTRONERGY DEVELOPMENT F2, INC.	to carry on the general business of generating power derived from solar energy and other viable sources of renewable power for lighting and power purposes, and whole selling the electric power to private electric utilities, electric cooperatives, the spot market and/or other consumers, and for the carrying on of all business incident thereto, including acquiring, building, constructing, owning, maintaining and operating all necessary and convenient buildings, structures, machinery, sub-stations, transmission lines, poles, wires, and other things and devices, and to acquire and hold water and flowage rights and to acquire, lease, hold, occupy or use lands, rights of way and easements therein	3-Feb-15
709	MINERGY POWER CORPORATION (Amendment)	FIRST ARTICLE: that the name of this corporation shall be: MINERGY POWER CORPORATION (formerly: MINERGY COAL CORPORATION); SECOND ARTICLE: that the primary purpose of this corporation is to establish, maintain, own and operate power plants and such other sources that may be a viable source of electric light, heat and power system and to sell and/or trade electricity for light, heat and power purposes within cities, municipalities and provinces of the Philippines as the corporation may determine and enter into business activity that now or hereafter may be necessary, incidental, proper, advisable or convenient in furtherance of or otherwise relating to such purpose; SIXTH ARTICLE: that the number of directors of said corporation shall be nine (9); TENTH ARTICLE: all new issuances of shares from unsubscribed shares (of whatever classification), treasury shares, or new issuances from an approved increase in authorized capital stock shall be subject to the exercise of the pre-emptive right. For this purpose, the Corporate Secretary of the corporation shall send a written notice ("Notice of New Issuance") to each of the shareholders. The Notice of New Issuance shall contain (i) the reason for the new issuance and (ii) the amount of shares that may be purchased by the respective shareholders, with an advice that the acceptance or waiver of the Pre-Emptive Right must be communicated in writing within thirty (30) days from a shareholder's receipt of the Notice of New Issuance. The failure by a shareholder to communicate its acceptance or waiver of the Pre-Emptive Right within the 30-day period shall be deemed as a waiver of the right. The shares allocated for the shareholder who has expressly or impliedly waived its Pre-Emptive Right shall thereafter be offered to the other shareholder/s. If there shall remain unsubscribed shares arising from the waiver of Pre-Emptive Right by one or more shareholder/s, the shares shall be left unsubscribed, unless the Board of Directors decide to sell these to third parties for the purpose of raising additional capital for the corporation	5-Feb-15
710	ENERGY OIL AND GAS HOLDINGS, INC. (Amendment)	PRIMARY PURPOSE: that the primary purpose of this corporation includes: to develop, construct, own, lease and operate electricity generation and/or distribution and/or LNG fired power plants or related business; SECONDARY PURPOSES: that the secondary purpose of this corporation includes: a) To construct, operate and maintain power plants, auxiliary plants, dams, reservoirs, pipes, mains, transmission lines, power stations and substations, and other works for the purpose of developing LNG fired power plant in the Philippines and supplying power to the inhabitant thereof; b) To acquire, construct, install, maintain, operate and improve gas, oil or steam engines, and/or other prime movers, generators and machinery in plants and/or auxiliary plants for the production of electric power; c) To establish, develop, operate, maintain and administer power and lighting systems for the transmission and utilization of its power generation; To sell electric power in bulk to (1) industrial enterprises; (2) city, municipal or provincial systems and other government institutions, (3) electric cooperatives, (4) franchise holders, and (5) real estate subdivisions	5-Feb-15
711	WESTINGHOUSE INTERNATIONAL PROJECTS, CO (Philippine Branch) (Withdrawal)	to its request to voluntarily withdraw its license to do business in the Philippines considering its manifestation that the entity "was supposed to undertake the construction of the proposed nuclear power plant during the time of then President Ferdinand Marcos. The project did not push through hence the Philippine Branch discontinued its business in the Philippines". Provided, that the Department of Energy will not be held liable for any misrepresentation made thereto.	5-Feb-15
712	ASIAN SOLAR OPTIONS CORPORATION	to engage in the business of renewable energy such as, but not limited to, biomass, mini-hydro or solar power and ancillary businesses; to apply for and acquire water rights, develop, own, operate project sites for mini-hydro or run of river or solar power generation including but not limited to importation, purchase or lease of plant and plant related equipment and technology and sale of renewable energy power	5-Feb-15
713	NEGROS SOLAR SOLUTIONS, INC.	to engage in the business of renewable energy such as, but not limited to, biomass, mini-hydro or solar power and ancillary businesses; to apply for and acquire water rights, develop, own, operate project sites for mini-hydro or run of river or solar power generation including but not limited to importation, purchase or lease of plant and plant related equipment and technology and sale of renewable energy	5-Feb-15

LIST OF GENERATION COMPANIES ISSUED WITH 2ND INDORSEMENT (1st Indorsement by the Securities and Exchange Commission) as of July 2015			
	NAME of COMPANY	PRIMARY/SECONDARY PURPOSE	DATE ISSUED
714	SOLARHIYA CORPORATION	to design, develop, construct, erect, manufacture, assemble, supply and maintain machineries/equipment and supplies, commission, own, operate and maintain equipment, system, installation and related facilities used in the generation, transmission, distribution and/or supply of electricity under contract with the Philippine government or any subdivision, instrumentality or agency thereof, or any government owned and controlled corporation, or any entity or utility engaged in the development, supply and distribution of renewable energy, focusing on solar, wind, hydropower, biomass, and bio-fuels; to participate in the provision of electricity in unviable areas in accordance with the provision of, and rules and regulations implementing the electric power industry reform act, and to enter into all contracts promoting solar, wind, hydropower and bio-fuel technologies in accordance with the provision of, and the rules and regulations implementing the renewable Energy Act of 2008	5-Feb-15
715	WESTERN MINDANAO POWER CORPORATION (Amendment)	to be established or located shall be at the 4th Floor Alphaland Southgate Tower, 2258 Chino Roces Avenue corner EDSA, Makati City, Metro Manila, Philippines	13-Feb-15
716	CZECH-PHILIPPINE POWER CORPORATION	to engage in the business of owning, acquiring, commissioning, operating, maintaining, evaluating, developing, and constructing conventional, renewable energy (such as but not limited to hydropower, solar, wind, biomass and ocean power) and/or hybrid power generation and related facilities, and selling or dealing with electric power, or any other business or activity that now or hereafter may be necessary, incidental, proper, advisable or convenient in furtherance of or otherwise relating to such purpose	13-Feb-15
717	CREST PEAK ENERGY CORPORATION	to develop, construct, invest, engage in, operate, lease, manage, hold, sell, grant exchange any kind of power generation and/or electricity generation business; to provide Management, investment options/models, modules, engineering & technical services to firms, associations; corporations, government offices & its entities engaged in electricity generations and/or distribution or related business including renewable energy	17-Feb-15
718	AGGREKO ENERGY RENTAL SOLUTIONS, INC. (Amendment)	to carry on the business of generating, transmitting, and/or distributing energy derived from any and all forms, types and kinds of energy sources, and selling electric power to power corporations, public electric utilities, electric cooperatives and other customers; to engage in the trading of electricity; to acquire, build, construct, own, maintain and operate all necessary and convenient buildings, machinery, sub-stations, transmission lines, poles, wires and other things and devices; to provide support, operational and maintenance services, as well as the rental (except financial leasing), sale and supply on the wholesale basis of generators, transformers, distribution equipment, chillers, air conditioners, temperature control compressed air systems, industrial cooling systems, dehumidification and other related equipment	17-Feb-15
719	NETSOLAR INCORPORATED	to design, construct, erect, establish, own, manage, maintain, supervise, operate, acquire, purchase, rehabilitate, invest in and produce Renewable Energy systems and projects including, but not limited to research, development, trade and utilization of Renewable Energy facilities, products, land, property and resources for residential, industrial, commercial and other kinds of endeavors, as well as to engage in the selling and distribution of electricity for residential, commercial and industrial end users or distribution companies. That the corporation shall have all the express powers of a corporation as provided for under section 36 of the Corporation Code of the Philippines	18-Feb-15
720	GREEN ENERGY MACHINE INVESTMENT CO., INC.	to invest in, acquire equity and other forms of interest in: (a) the business of power generation, power distribution and energy conservation—using clean, state-of-the-art and cost efficient technology, and (b) allied undertakings such as (i) importation, supply, sale or lease of power generating equipment, (ii) sale and distribution of power to wholesalers, power distributors, retailers and consumers, (iii) providing management or consultancy services on power projects, (iv) financing of power projects, (v) investing in a real estate or commercial project with a power generation or energy conservation component and in pursuance of those business objectives, it may do so by itself, or in collaboration with other parties participating as co-venturer, partner, equity investor, financier, underwriter, trustee, investment manager, supplier, dealer, distributor, service provider, assembler, agent, or other contractual capacity	18-Feb-15
721	VIRES ENERGY CORPORATION	to operate, engage in, conduct and carry on the business of exploring, developing, converting, producing, processing and refining of power energy fuel and/or any other source of power energy, including importation, handling, distributing and marketing at wholesale either within or outside the Philippines; to develop, manage, lease and operate refineries for the power and fuel products or any other source of power energy; to enter into a business of undertaking to establish, develop, explore and operate business that will provide the appropriate infrastructure for the power production facility as well as training and technical manpower to persons and institutions engaged in aforesaid energy production; and in general to carry on and undertake such activities which may seem to the Corporation capable of being conveniently carried on in connection with the above purposes, or calculated, directly, to enhance the value of or render profitable, any of the Corporation's property or rights	6-Mar-15
722	TEAM (PHILIPPINES) ENERGY CORPORATION (Amendment)	that the authorized capital stock of the said Corporation is EIGHT HUNDRED TWENTY NINE MILLION PESOS (PhP 829,000,000), divided into One Hundred Twenty Seven Thousand Four Hundred (127,400) common shares and Eighty Two Million Seven Hundred Seventy Two Thousand Six Hundred (82,772,600) preferred shares, all with a par value of Ten Pesos (PhP 10.00) per share. The said preferred shares shall be voting, convertible and redeemable in accordance with the terms and conditions to be fixed by the Board of Directors	6-Mar-15

LIST OF GENERATION COMPANIES ISSUED WITH 2ND INDORSEMENT (1st Indorsement by the Securities and Exchange Commission) as of July 2015			
	NAME of COMPANY	PRIMARY/SECONDARY PURPOSE	DATE ISSUED
723	PRIMEO EAST CONSTRUCTION, INC. (Beyond Jurisdiction)	(1) residential and commercial structures; (2) roads, highways, railways, airport horizontal structures and bridges; (3) irrigation, flood control and water supply and waste; (4) buildings and industrial plants; (5) telecommunication facilities, power plants and distribution facilities; (6) piers, railways and public works and allied and related services such as constructing, reconstructing, rehabilitating, enlarging, repairing, removing, and extend and receive any contract or assignment of contract relating thereto and for this purpose, to hire, employ, retain or otherwise contract with engineers, architects, designers, landscapers and other professionals for such projects, providing all necessary machinery, equipment, and supplies, laboratories, apparatus, appliances and other works and devices necessary or required thereon; acting as project managers, builders and contractors in connection with the promotion, development, building up, improvement, rehabilitation, administration, management, control and/or operation of every kind of manufacturing, commercial or industrial undertaking, or venture	10-Mar-15
724	AC TECH SYNERGY, INC. (Beyond Jurisdiction)	1. To engage mainly in the manufacture of electrical and electronic devices, including electric generators, and related engineering works for commercial and industrial use; 2. To provide general technical consultancy relative to the use of electric devices that the company manufactures; 3. To provide project administration and management; soliciting orders, service contracts agreements; appointing representatives and/or service personnel; technology transfer; and the deployment of employees to projects at domestic and international locations; 4. To lease equipment and provide training for its use; To establish brand franchising for expansion locally and participate in the international market	11-Mar-15
725	TERRASUN PHILIPPINES, INC.	to engage in general construction and other allied activities such as engineering, procuring and consultancy services; To design, construct, erect, commission and maintain transmission or distribution of power lines; to design, construct, erect, commission and maintain power-generating plants and related facilities for the conversion of renewable energy into usable form fit for electricity generation and distribution; and to perform ancillary and incidental activities as may be provided by and under contract with the private entities engaged in the development, supply and distribution of renewable and other forms of energy, or with the Government of the Republic of the Philippines, or any subdivision instrumentality or agency thereof, or any government-owned and controlled corporation	11-Mar-15
726	GEOPOWER ENERGY PHILIPPINES, INC.	to originate, develop, finance, construct, and market power generation projects involving power generation facilities utilizing environmentally friendly technology or resources such as environmentally compliant coal, biomass, solar, hydro, heavy fuel oil (HFO), light fuel oil (LFO) or other legally acceptable fuel and, for this purpose, engage in the identification of power generation or supply projects (including, where appropriate, potential customers thereof), procurement of power supply agreements, power purchase agreements, engineering procurements and construction agreements, government or other regulatory approvals, and other activities in connection with the construction, installation, development, commissioning and operation of power generation facilities required under the Philippine law	11-Mar-15
727	MONTALBAN METHANE POWER CORPORATION (Amendment)	SECOND ARTICLE: that the primary purposes of this corporation are: • To engage in a Clean Development Mechanism (CDM) Project defined under the Kyoto Protocol of the United Nations Framework Convention on Climate Change, through the processes of capturing, recovering, harnessing and appropriating the various gases, chemical reactions or by-products emitted from solid/liquefied wastes deposited in the landfill, in order to effect a reduction thereof, thereby minimizing the various gases emitted to the environment produced by the wastes or garbage in the said landfill, and integrating these processes in the generation and sale of safe and reliable electricity insofar as may be permitted by law through the collection of landfill gases (LFG), the main constituent of which is methane, derived from the process of solid wastes combustion, and the sale of Certified Emission Reductions (CERS) Certificates obtained pursuant to the CDM Project. • To import equipment that may be required or necessary for the Corporation to carry on the foregoing activities. THIRD ARTICLE: That the place where the principal office of the corporation is to be established at: 10C, 20th Drive Corporate Center, 20th Drive, Bonifacio Global City, Taguig City	12-Mar-15
728	AUENERGY, INC. (Amendment)	that the place where the principal office of the Corporation shall be located at 85 Mabini Street, District 1, Cauayan City, Isabela	13-Mar-15
729	CENTRAL NEGROS POWER RELIABILITY INC. (Amendment)	THIRD ARTICLE: That the place where the principal office of the corporation is to be established or located is at: Purok San Jose, Brgy. Calumangan, Bago City, Negros Occidental; SEVENTH ARTICLE: That the Authorized Capital Stocks of the said Corporation is Four Hundred Twenty Million (PhP 420,000,000.00) Philippine Currency, and said capital stocks is divided into Three Hundred Forty Nine Thousand Six Hundred Sixty Three (349,663) Common Shares and Seventy Thousand Three Hundred Thirty Seven (70,337) Preferred shares with a par value of PhP 1,000.00 each	17-Mar-15
730	MINDORO HARVEST ENERGY CO., INC. (Amendment)	that the place where the principal office of the Corporation shall be established or located at Brgy. Sampaguita, Naujan, Oriental Mindoro:	17-Mar-15

**LIST OF GENERATION COMPANIES ISSUED WITH 2ND INDORSEMENT  
(1st Indorsement by the Securities and Exchange Commission)  
as of July 2015**

	NAME of COMPANY	PRIMARY/SECONDARY PURPOSE	DATE ISSUED
731	ILLUMINARE NEW ENERGY TECHNOLOGIES, INC.	to engage in the general business of generating power including, but not limited to, power-generated from renewable and emerging alternative sources of energy and technologies, all kinds of non-fossilized, biodegradable organic material originating from naturally occurring or cultured plants, animals and micro-organisms such as, agricultural products, by-products and residues, biodegradable organic fractions of industrial and municipal waste that can be used in bioconversion process and other processes, as well as gases and liquids recovered from the decomposition and/or extraction of non-fossilized and biodegradable organic materials that may be converted from use in power generation, as well as the supply and consolidated of the electric power demand of end-users; to act as wholesaler of electric power corporation, public electric utilities, electric cooperatives and all businesses incident thereto, including without limitation the acquisition, financing, design, assembly, testing, commissioning, operation and maintenance, rehabilitation and management of power generating plants, sub-station, buildings, structures, machinery, transmission lines, poles, wires and other necessary and convenient things and devices, and to acquire and hold water and flowage rights and acquire, lease, hold, occupy or use lands, right of way and easement therein; and/or to apply solar energy in desalination of sea water into safe potable water, distribution and sale of desalination equipment, its main and derivative products thereof, in setting up drying and cooling equipment, including its sale distribution and maintenance	20-Mar-15
732	ENERGREEN POWER INTER-ISLAND CORP. <b>(Amendment)</b>	amending First Article of the Articles of Incorporation i.e. that the name of this corporation shall be: ENERGREEN POWER INTER-ISLAND CORP. (Formerly: Energreen Power Development and Management Inc.)	24-Mar-15
733	CENERTEC FMG POWER CORPORATION	to construct, erect, assemble, commission, own, manage and operate power-generating plants and related facilities for the conversion into electricity for supply, sale and distribution to distributors and/or end users	27-Mar-15
734	KING ENERGY GENERATION, INC. <b>(Amendment)</b>	THIRD ARTICLE: That the place where the principal office of the corporation is to be established or located is at: MISAMIS ORIENTAL POWER PLANT (MOPP1), Brgy. San Luis, Gingoog City; SIXTH ARTICLE: That the number of directors of the Corporation shall be SIX (6) and the names nationalities and residences of the first directors, who are able to serve until their successors are elected and qualified; SEVENTH ARTICLE: That the Authorized Capital Stocks of the said Corporation is Four Hundred Fifty Million Pesos (PhP450,000,000.00) Philippine Currency, and said capital is divided into Four Million Five Hundred Thousand (4,500,000) shares with the par value of ONE HUNDRED PESOS (PhP 100.00) per share.	31-Mar-15
735	ASIA PACIFIC ENERGY CORPORATION <b>(Amendment)</b>	SECOND ARTICLE: That the Secondary Purpose shall include item No. 9 i.e. to provide the following services: a) To supervise all engineering works at job site during the period of construction and commissioning, includes but not limited to start-up and testing, for the power plant of any buyer of its affiliated company; b) To provide operation and maintenance services to any power plant built by its affiliated company; THIRD ARTICLE: That the place where the principal office of the corporation is to be established at TECO – Industrial Park, Ninoy Aquino Highway, Bo. Bundagul, Mabalacat City, Pampanga; SIXTH ARTICLE: that the number of directors of said corporation shall be six (6) and that the names, nationalities and residences of the directors who are to serve until their successors are elected and qualified as provided by the by-laws	1-Apr-15
736	AQUA DUNAMIS HYDRO POWER CORP.	to engage in the general business of generating power derived from coal, fossil fuel, geothermal, nuclear, natural gas, hydroelectric and other viable sources of power, for lighting and power purposes and wholesale of electric power to private electric cooperatives and other entities, and for carrying on of all business incidental thereto, including, but not limited to, the sale of the by-products of power generation, e.g. steam, water, etc., and to acquire, build, construct, own, maintain and operate all necessary and convenient buildings, structures, machineries, sub-stations, transmission lines, poles, wires and other things and devices and to acquire and hold water and flowage rights and to acquire, lease, hold, occupy or use land rights of way and easement therein, and to purchase and/or import raw materials, equipment and spare parts to be used for its business as a power generator	6-Apr-15
737	PHILIPPINE POTAMIC HYDRO POWER CORP.	to engage in the general business of generating power derived from coal, fossil fuel, geothermal, nuclear, natural gas, hydroelectric and other viable sources of power, for lighting and power purposes and wholesale of electric power to private electric cooperatives and other entities, and for carrying on of all business incidental thereto, including, but not limited to, the sale of the by-products of power generation, e.g. steam, water, etc., and to acquire, build, construct, own, maintain and operate all necessary and convenient buildings, structures, machineries, sub-stations, transmission lines, poles, wires and other things and devices and to acquire and hold water and flowage rights and to acquire, lease, hold, occupy or use land rights of way and easement therein, and to purchase and/or import raw materials, equipment and spare parts to be used for its business as a power generator	6-Apr-15
		to engage in all aspects of exploration, assessment, development, utilization of energy resources and storage of electricity, including but not limited to: (i) the development, acquisition, construction, completion, ownership, operation, improvement, maintenance, and rehabilitation of power generation, co-generation, energy storage, associated facilities, and other property incidental thereto; (ii) the purchase, storage, sale and supply of electric power, reserves and ancillary services, (iii) the procurement, acquisition, importation, construction, installation, erection, ownership, lease, operation, and maintenance of edifices, structures, facilities, materials, machinery and equipment, for or related to the development and utilization of energy resources, energy storage, sale and supply of electric power; (iv) the

846	PH CNEEC POWER, INC. (Amendment)	to engage in the business of power plant and power generation technical assistance and general services and power plant material procurement, as well as trading and services of power equipment machinery, tools, accessories, spare parts and other industrial equipment without engaging in the business of power generation and in retail trade business	19-Oct-15
847	GLOBAL ENERGY SUPPLY CORPORATION (Amendment)	that the place where the principal office of the corporation to be established or located is in 15/F Metrobank Plaza Bldg., Osmeña Blvd., Cebu City, Philippines	22-Oct-15
848	SULU ELECTRIC POWER AND LIGHT (PHILS.) INC. (Amendment)	the authorized capital stock of the corporation is THREE HUNDRED FIFTY MILLION (PhP 350,000,000.00) PESOS in lawful money of the Philippines, divided into THREE HUNDRED FIFTY MILLION (350,000,000) shares with the par value of ONE (PhP 1.00) PESO per share	22-Oct-15
849	CMPCI GREEN ENERGY CORP.	to invest in, hold, own, purchase, acquire, lease, contract, operate, improve, develop, manage, grant, engage in the business of development, investment, construction and maintenance, dispose, sale of any hydroelectric, geothermal, wind, solar and other renewable power generation facilities, distribution, retail electricity supply and other related facilities, to design, develop, assemble and operate other power related facilities in accordance with existing laws, rules and regulations	28-Oct-15
850	RESERO GAS PHILIPPINES, INC. (Amendment)	to engage in the generation and sale of electricity by capturing the energy of moving water and transforming into marketable electricity, particularly by designing, developing, building, installing, commissioning, owning, managing, and operating and maintaining a hydroelectric power plants, solar, wind, natural gas plant, including the importation of any and all power generating plant, equipment, implements and its accessories; to engage in waste management, specifically the collection, transportation, transfer, storage, separation, processing, recycling and disposal of various waste materials in produce by human activity (whether solid, liquid or gaseous, hazardous or non-hazardous, domestic, industrial or medical), including the recovery of resources from such waste materials on order to reduce the adverse effect or impact on human health, local aesthetics, and the environment in general, including the process of capturing, recovering, harnessing, and appropriating the various gases, chemical reactions, or by-products emitted from such waste, in order to affect reduction thereof, and integrating these process in the generation and sale of safe and reliable electricity; and to engage in the general generation of electricity of whatsoever source or nature and the sale of such products; to acts as Aggregator engaged in consolidating electric power demand of end-users in Contestable Market for the purpose of purchasing and reselling on a group basis	28-Oct-15
851	THERMA MOBILE INC. (Amendment)	the authorized capital stock of the Corporation is TWO BILLION SEVEN HUNDRED EIGHTY MILLION THREE HUNDRED EIGHTY SEVEN THOUSAND SEVENTY TWO PESOS (PhP 2,780,387,072.00) in lawful money of the Philippines, and said capital stock is divided into: a) THREE HUNDRED NINETEEN MILLION SIX HUNDRED THOUSAND (319,600,000) common shares with par value of One Peso (PhP 1.00) per share: The Common Shares can be converted into Redeemable Preferred Shares at any time and subject to the terms as may be determined by the Board of Directors, provided that there shall be a class or series of shares which have complete voting rights. ONE BILLION SEVEN HUNDRED FIFTEEN MILLION NINE HUNDRED SIXTY THOUSAND SIX HUNDRED FORTY TWO (1,715,960,642) Series "A" redeemable preferred shares with a par value of ONE PESO (PhP 1.00) per share or for a total par value of Pesos: ONE BILLION SEVEN HUNDRED FIFTEEN MILLION NINE HUNDRED SIXTY THOUSAND SIX HUNDRED FORTY TWO (PhP 1,715,960,642.00)	29-Oct-15
852	PHUSIKOS ENERGY CORPORATION	to explore, own, develop, construct, operate, repair, maintain, manage, invest or otherwise engage in the business of power plant systems, including power transmission lines, converting stations and generations and generation plants which utilizes hydro, wind, solar and all other types of renewable or non-renewable resources, and the production, generation, selling, distribution, sourcing, trading, brokering, marketing and/or aggregating of electricity and related products, without acting as or engaging in the business of an investment company or a broker or seller of securities; to bid for; acquire, administer, operate and maintain such power generation plants or projects that are privatized by the government or offered for sale by private corporations	30-Oct-15

LIST OF GENERATION COMPANIES ISSUED WITH 2ND INDORSEMENT (1st Indorsement by the Securities and Exchange Commission) as of July 2015			
	NAME of COMPANY	PRIMARY/SECONDARY PURPOSE	DATE ISSUED
853	HEDCOR KABAYAN, INC. (Amendment)	the principal office of business of the corporation is to be established at Adaoay, Kabayan, Benguet	3-Nov-15
854	HEDCOR SABANGAN, INC. (Amendment)	the authorized capital stock of the Corporation is TWO BILLION ONE HUNDRED ONE MILLION SIX HUNDRED FORTY TWO THOUSAND PESOS (PhP 2,101,642,000.00) Philippine Currency, and the said capital is divided into FIFTY SIX MILLION FOUR HUNDRED SIXTY EIGHT THOUSAND SIX HUNDRED SIXTY (56,468,660) common shares with a par value of One Peso (PhP 1.00) per share, or for a total of FIFTY SIX MILLION FOUR HUNDRED SIXTY EIGHT THOUSAND SIX HUNDRED SIXTY PESOS (PhP 56,468,660.00), and TWO BILLION FORTY FIVE MILLION ONE HUNDRED SEVENTY THREE THOUSAND THREE HUNDRED FORTY (2,045,173,340) Redeemable Preferred Shares with a par value of One Peso (PhP 1.00) per share, or for a total of TWO BILLION FORTY FIVE MILLION ONE HUNDRED SEVENTY THREE THOUSAND THREE HUNDRED FORTY PESOS (PhP 2,045,173,340.00)	3-Nov-15
855	YODO BUILDERS CORPORATION	to engage in the generation and sale of electricity by capturing the energy of moving water and transforming into marketable electricity, particularly by designing, developing, building, installing, commissioning, owning, managing, and operating and maintaining a hydroelectric power plants, solar, wind, natural gas plant, including the importation of any and all power generating plant, equipment, implements and its accessories	3-Nov-15
856	ZAMBALINK DEVELOPMENT CORPORATION (Amendment)	amending its secondary purpose, particularly Item No. 6 i.e. to buy electricity from energy manufacturers/suppliers, and sell the same to electric cooperatives, big energy consumers, the National Grid and other electricity users	9-Nov-15
857	BLUESKYENERGY CORPORATION	to engage in the business of developing energy management projects, including but not limited to the following: reduction of energy consumption for energy savings, conversion of wasted energy to useful energy, displacement of purchased energy with lower-carbon energy, displacement of company energy production, storage of useful energy; to plan, design, finance, build, commission, test, own, lease, operate and/or maintain energy efficiency and other energy management projects, systems and/or facilities; to invest in or finance energy efficiency and other energy management projects; to procure or import equipment and/or develop or acquire technologies related to energy management and energy storage; and to provide or outsource energy efficiency and other energy management related services.	9-Nov-15
858	SN ABOITIZ POWER-BENGUET, INC. (Amendment)	the authorized capital stock of the Corporation is One Billion Forty Nine Million Two Hundred Forty Three Thousand Two Hundred Fifty Pesos (PhP 1,049,243,250.00) divided into Seven Hundred Million (700,000,000) Common Shares with par value of One Peso (PhP 1.00) per share, Five Thousand (5,000) Series A Redeemable Preferred Shares with par value of One Peso (PhP 1.00) per share and Three Hundred Forty Nine Million Two Hundred Thirty Eight Thousand Two Hundred Fifty (349,238,250) Series B Redeemable Preferred Shares with par value of One Peso (PhP 1.00) per share	11-Nov-15
859	MANILA OSLO RENEWABLE ENTERPRISE, INC. (Amendment)	the authorized capital stock of the Corporation is One Billion Fifty Six Million Nine Hundred Eighty Eight Thousand Seven Hundred Fifty Pesos (PhP 1,056,988,750.00), and said capital stock is divided into Three Thousand (3,000) Series A Preferred Shares with par value of One Peso (PhP 1.00) per share; Three Hundred Thirty Six Million Nine Hundred Eighty Five Thousand Seven Hundred Fifty (336,985,750) Series B Preferred Shares with par value of One Peso (PhP 1.00) per share; Six Hundred Million (600,000,000) Class A Common Shares with par value of One Peso (PhP 1.00) per share; and One Hundred Twenty Million (120,000,000) Class B Common Shares with par value of One Peso (PhP 1.00) per share	11-Nov-15
860	GALAXY POWER SOLUTIONS PHILS. INC. (Beyond Jurisdiction)	to provide integrated customer solutions that reduce costs, and/or improve energy efficiency and system performance of industrial, commercial and institutional customers; to act as consultants, and to manage energy or power plants; to engage in the contracting, maintenance, repair and development of electro-mechanical devices; to develop, construct, own, lease, lease out, operate and maintain property, structures, machineries and other things and devices related and/or auxiliary to any of the aforementioned activities; to provide management, investment and technical advice to persons, firms, associations, corporations, partnerships and other entities engaged in related businesses; and/or to contract or sub-contract works in relation to the foregoing activities; and to do such other acts and activities that are analogous and/or related to any of the foregoing	11-Nov-15
861	MCPower ENERGY DEVELOPMENT CORP	to engage in the energy and power generation business, develop, construct, and operate power and energy generation plants and facilities and related structures, acquire, hold or invest in power generation and distribution companies, and otherwise deal in electric power trading, and servicing within the Philippines and in other countries	11-Nov-15
862	GLOBALGREEN INTERNATIONAL ENERGY PHILIPPINES, INC. (AMENDMENT)	the authorized capital stock of the Corporation is One Hundred Million Pesos (PhP 100,000,000.00) in lawful money of the Philippines, divided into One Hundred Thousand (100,000) shares with the par value of One Thousand Pesos (PhP 1,000.00) per share	12-Nov-15
863	BANTAYAN ISLAND POWER CORPORATION (Amendment)	to be established at 4th Floor, Northside Business Hub, G. Lopez Jaena corner A.P. Cortes St, Tipolo, Mandaue City	12-Nov-15
864	CBK POWER CORPORATION (Amendment)	the corporation shall be established or located in 25th Floor, Philam Life Tower, 8767 Paseo de Roxas, Makati, Metro Manila	13-Nov-15

**LIST OF GENERATION COMPANIES ISSUED WITH 2ND INDORSEMENT**  
**(1st Indorsement by the Securities and Exchange Commission)**  
**as of July 2015**

	NAME of COMPANY	PRIMARY/SECONDARY PURPOSE	DATE ISSUED
865	XENERGYX POWER CORPORATION	to engage, in the business of energy generation, and logistics, including the development, licensing or acquisition of energy generating materials, technology and equipment for both renewable and fossil fuel sources/ to exploit oil, petroleum, gas, coal, biomass, hydrogen, sun, wind, water, magnetic fluxes and all kinds of volatile materials, ores, metals, chemical substances and natural sources, including natural resources of renewable energy, all products and by-products thereof in crude or refined condition/to acquire, store, hold, lease or dispose petroleum, gas, oil, and renewable energy and related concessions, leases, royalties and permits, lands and real estate of all kinds, and the oil, gas and minerals rights interest therein/to prepare said products for markets/and to manufacture from said products any and all marketable commodities/to construct, erect, build and lay, to purchase, lease or otherwise encumber, plants, refineries, stations, systems, tanks, trucks, cars, boats, vessels, appliances, apparatus, devices, machinery, structures, equipment and facilities of all kinds for manufacturing, treating, processing, preparing, concentrating, distilling, transporting or transmitting and/in any manner dealing in and with gas, petroleum and other oils, minerals and volatile substances, asphalt, bitumen and bituminous substances, renewable energy and other similar products of every kind and character/ to buy coal locally and/or import and sell coal and coal preparation equipment/ to engage generally, as may be permitted by law, in the business of either directly or through equity investment in companies engaged in contracting and servicing business in relation to oil and renewable energy, exploration and power generation and to haul, carry, buy, distribute, sell or lease, load and unload general cargoes, electrical equipment, inverters, generators and transformers and all classes of goods, wares and merchandise	24-Nov-15
866	TAJAO SOLAR AND WIND RESOURCES, INC.	1. To generate power through use of diesel or other non-renewable and renewable energy sources such as wind, solar, ocean, hydro and biomass energy; 2. To acquire, design, develop, construct, invest in and operate power generating plants and engage in the business of a Generation Company in accordance with Republic Act No. 9136 otherwise known as the Electric Power Industry Reform Act of 2001 (the "EPIRA"), and its implementing rules and regulations; and to design, develop, assemble, and operate conventional and renewable energy resources, sell electricity and carbon credits, act as a wholesale and retail electricity supplier and aggregator, operate and maintain power plants, securing any needed licenses to engage in such business activities and purchasing or otherwise acquiring, for the purpose of holding or disposing of the same, shares of stock, equity, rights and property of any person, firm, association or corporation engaged in industries or activities related to energy development, paying for the same in cash, shares of stocks, bonds of this corporation; 3. To build, construct, erect, hold, own, equip, install, operate, maintain, sell and lease power generation plants, facilities, machineries, equipment; and to purchase, import, acquire, own, lease or let power generation, telecommunications, transportation and other kinds of equipment, materials and facilities; 4. To carry on the business of producing and generating electricity and processing fuels alternative for the power generation, including expanded operation of energy supply base and the generation and cogeneration of electric power, as well as the supply and consolidation of the electric power demand of end-users, and to carry on all services incident and/or ancillary to the above, including, without limitation, the construction, assembly, testing, commissioning, operation, maintenance, rehabilitation and management of power generating plants, substations and related facilities and equipment, to engage in all other business incidental to the foregoing, including, but not limited to, the sale of the by-products of power generation	25-Nov-15
867	CMP GREEN ENERGY CORP.	to invest in, hold, own, purchase, acquire, lease, contract, operate, improve, develop, manage, grant, engage in the business of development, investment, construction and maintenance, dispose, sale of any hydroelectric, geothermal, wind, solar and other renewable power generation facilities, distribution, retail electricity supply and other related facilities, to design, develop, assemble and operate other power related facilities in accordance with existing laws, rules and regulations	26-Nov-15
868	RESERO GAS PHILIPPINES, INC.	to engage in the generation and sale of electricity by capturing the energy of moving water and transforming into marketable electricity, particularly by designing, developing, building, installing, commissioning, owning, managing, and operating and maintaining a hydroelectric power plants, solar, wind, natural gas plant, including the importation of any and all power generating plant, equipment, implements and its accessories; to engage in waste management, specifically the collection, transportation, transfer, storage, separation, processing, recycling and disposal of various waste materials in produce by human activity (whether solid, liquid or gaseous, hazardous or non-hazardous, domestic, industrial or medical), including the recovery of resources from such waste materials on order to reduce the adverse effect or impact on human health, local aesthetics, and the environment in general, including the process of capturing, recovering, harnessing, and appropriating the various gases, chemical reactions, or by-products emitted from such waste, in order to affect reduction thereof, and integrating these process in the generation and sale of safe and reliable electricity; and to engage in the general generation of electricity of whatsoever source or nature and the sale of such products; to acts as Aggregator engaged in consolidating electric power demand of end-users in Contestable Market for the purpose of purchasing and reselling on a group basis	26-Nov-15
869	SULU ELECTRIC POWER AND LIGHT (PHILS.) INC. <b>(Amendment)</b>	the increased authorized capital stock of the corporation is ONE BILLION and FIFTY MILLION PESOS (PhP 1,050,000,000.00) in lawful money of the Philippines, divided into ONE BILLION and FIFTY MILLION (1,050,000,000) COMMON SHARES with the par value of ONE PESO (PhP 1.00) per share	3-Dec-15
870	LUDO POWER CORPORATION <b>(Amendment)</b>	the name of the said corporation shall be: LUDO POWER CORPORATION (formerly C VENTURES INDUSTRIAL MANAGEMENT, INC.)	3-Dec-15
871	HEDCOR BENGUET, INC. <b>(Amendment)</b>	the place where the principal office of the corporation is to be established is at Aboitiz Corporate Center, Gov. Manuel A. Cuenco Avenue, Kasambagan, Cebu City	10-Dec-15

LIST OF GENERATION COMPANIES ISSUED WITH 2ND INDORSEMENT (1st Indorsement by the Securities and Exchange Commission) as of July 2015			
	NAME of COMPANY	PRIMARY/SECONDARY PURPOSE	DATE ISSUED
872	BISCOM, INC. (Amendment)	the capital stock of said corporation consists of ONE MILLION THREE HUNDRED EIGHTY SIX THOUSAND NINE HUNDRED EIGHTY ONE (1,386,981) common shares, without par value and TWO MILLION NINE HUNDRED NINETY NINE THOUSAND NINE HUNDRED SEVENTY PESOS (PhP 2,999,970.00), Philippine currency, divided into 66,666 non-convertible preferred shares with a par value of PhP 45.00 each share	10-Dec-15
873	PERIGEE POWER ENERGY SOLUTIONS PHILS. CORP.	to develop, construct, erect, assemble, install, commission, rehabilitate, maintain, manage and operate, coal, diesel, hydro, thermal, wind, solar and other power generating plants, and electricity distribution, and related facilities, and to carry on the general business of generation, manufacture, distribution, heating, transmission and/or sub-transmission of electric power in accordance with existing laws	14-Dec-15
874	AC TECH SYNERGY, INC. (Amendment)	"...To conceptualize, develop detailed plans, construct, erect, commission and maintain power-generating plants and related facilities for the conversion of renewable energy into usable form fit for electricity generation and distribution..."	14-Dec-15
875	KAUSWAGAN POWER HOLDING LTD. CO. (Amendment)	no objection to the amendment thereof	15-Dec-15
876	GNPOWER KAUSWAGAN, LTD. (Amendment)	this Bureau interposes no objection to the amendment thereof	15-Dec-15
877	GNPOWER LTD. CO. (Amendment)	this Bureau interposes no objection to the amendment thereof	15-Dec-15
878	MECCRON POWER PLUS CORPORATION	to operate and maintain Power Plants, Installation of Power Plants Generators and Auxiliaries	16-Dec-15
879	EQ RETAIL ELECTRICITY SUPPLY, INC.	to engage in the business of retail electricity supplier and wholesale aggregator; to develop, construct, commission, own, operate, maintain, rehabilitate, and manage facilities used in connection therewith; and/or provide services necessary or appropriate in connection with the supply and delivery of electricity, such as billing and collection, integrated customer solutions, and consultancy, to such an extent and in such manner as may be permitted by applicable law	17-Dec-15
880	ZAMSOLAR, INC.	to invest in or otherwise engage in exploration, development and utilization of renewable energy resources, including but not limited to solar and wind energy resources, for lighting and power purposes, and for selling the electric power to any power corporation, distribution utilities, electric cooperatives and other entities; to acquire, own, build, construct, assemble, commission, maintain and operate power-generating plants and all necessary and related buildings and facilities for the conversion of renewable energy into usable form; to acquire, lease, hold, occupy or use land rights of way and easements therein for the carrying on of all business necessary, incident, or relevant to the foregoing; to apply for, obtain and maintain all permits, licenses and authorizations to enable the fulfillment of the foregoing purposes, including but not limited to owning licenses relating to operations	18-Dec-15
881	KING ENERGY GENERATION INC. (Amendment)	to build construct, erect, own, equip, install, operate, maintain, sell and lease power generation plants and related facilities, machineries, equipment for the generation and supply of electric power utilizing any fuel or energy source; to provide ancillary services and to supply services such as billing, collection, customer service, energy trading and electricity sales for the contestable market and/or customers, including but not limited to, electric cooperatives and private distribution utilities; To carry on the business of exploring, developing and utilizing renewable energy, such as but not limited to biomass, biogas, hydro-power, geothermal, wind, solar energy including operating, managing, maintaining and rehabilitating renewable energy systems	21-Dec-15
882	CALACA HIGH POWER CORPORATION (Amendment)	the authorized capital stock of the corporation is SEVEN BILLION PESOS (PhP 7,000,000,000.00) divided into SEVENTY MILLION (70,000,000) shares with a par value of ONE HUNDRED (PhP 100.00) per share	22-Dec-15
883	SALAMAT MINDANAO LIGHT & POWER CORPORATION	to engage in the business of development, production, and supply of all forms of energy products or resources such as coal, oil, natural gas, biomass, geothermal, hydroelectric, and for a variety of applications; the acquisition, construction, installation, operation, lease and maintenance of power plants and such other facilities for the development, processing and conversion of such energy products or resources into products as fuel, electric power and lighting; and the marketing, sale, trading and distribution, on a wholesale or direct end-user basis whether domestically or for export, of energy products, and generally the carrying out of contracts and transactions of every kind and character that may be necessary or conducive to the accomplishment of the purposes of the Corporation	22-Dec-15
884	MERALCO ENERGY INC. (Amendment)	to carry on, directly or indirectly, the electricity and energy business in general, in all its facets and varieties and its various industrial and commercial activities including the business of generating, transmitting, and/or distributing energy derived from coal, fossil fuel, geothermal, nuclear, natural gas, hydroelectric, new and renewable energy and energy generation and other viable sources of power, for lighting and power purposes; buying, selling, brokering, marketing or aggregating electricity to end-users; distributing electric power, chilled water, water, including other utility services like telecommunications and sewerage	22-Dec-15
885	ACTA POWER CORPORATION (Amendment)	THIRTY-ONE MILLION (PhP 31,000,000.00), divided into THREE HUNDRED TEN THOUSAND (310,000) shares, with a par value of Pesos: ONE HUNDRED (PhP 100.00) per share or a total par value of Pesos: THIRTY-ONE MILLION (PhP 31,000,000.00)	23-Dec-15
886	AGUMIL PHILIPPINES, INCORPORATED (Amendment)	the place where the principal office of the corporation is to be established and located is at the 4th Floor, Northside Business Hub, G Lopez Jaena corner A.P. Cortes St., Tipolo, Mandaue City	23-Dec-15

LIST OF GENERATION COMPANIES ISSUED WITH 2ND INDORSEMENT (1st Indorsement by the Securities and Exchange Commission) as of July 2015			
	NAME of COMPANY	PRIMARY/SECONDARY PURPOSE	DATE ISSUED
887	FDC MISAMIS POWER CORPORATION <b>(AMENDMENT)</b>	the authorized capital stock of the Corporation is SEVEN BILLION TWO HUNDRED FIFTY MILLION PESOS (PhP 7,250,000,000.00) in lawful money of the Philippines, and said capital stock is divided into TWENTY MILLION (20,000,000) Common Shares with a par value of ONE HUNDRED PESOS (PhP 100.00) per share and FIFTY TWO MILLION FIVE HUNDRED THOUSAND (52,500,000) Preferred Shares with a par value of ONE HUNDRED PESOS (PhP 100.00) per share	29-Dec-15
888	POWERSOURCE PHILIPPINES ENERGY INCORPORATED <b>(Amendment)</b>	the authorized capital stock of the corporation is FOUR HUNDRED FIFTY NINE MILLION PESOS (PhP 459,000,000.00) in lawful money of the Philippines, and said capital stock is divided into: ONE MILLION TWENTY THOUSAND (1,020,000) common shares with par value of FOUR HUNDRED FIFTY (PhP 450.00) pesos per share	29-Dec-15
135	LUZON ENERGY CO. LTD. <b>(Amendment)</b>	shall be located at 28th Floor, The Orient Square, Don Francisco Ortigas Jr. Road, Ortigas Center, Pasig City, Philippines	4-Jan-16
136	GNPOWER HOLDINGS PHILIPPINES GP CORPORATION <b>(Amendment)</b>	this Bureau interposes no objection to the amendment thereof	4-Jan-16
137	AGGREKO ENERGY RENTAL SOLUTIONS, INC. <b>(Amendment)</b>	the place where the principal office of the Corporation is to be established and/or located is Unit 2001F, One Global Place, 25th Street cor. 5th Ave., Bonifacio Global City, Taguig City	5-Jan-16
138	RG POWERLINK INC. <b>(Beyond Jurisdiction)</b>	to engage in general construction and other allied businesses including the constructing, improving, repairing, developing information technology project, installation of telecommunication facilities such as telephone cable installation of power station and generator	14-Jan-16
139	MAPALAD ENERGY GENERATING CORPORATION <b>(Amendment)</b>	the place where the principal office of the Corporation is to be established or located is at Sitio Mapalad, Dalipuga, Iligan City, Lanao del Norte	15-Jan-16
140	CATANDUANES POWER GENERATION INC. <b>(Amendment)</b>	the place where the principal office of the Corporation is to be established is at Brgy. Marinawa, Bato, Catanduanes	15-Jan-16
141	PALAWAN POWER GENERATION, INC. <b>(Amendment)</b>	the place where the principal office of the Corporation is to be established is at NAPOCOR Compound, Brgy. Tiniguiban, Puerto Princesa City, Palawan	15-Jan-16
142	S.I. POWER CORPORATION <b>(Amendment)</b>	is FIVE HUNDRED MILLION (PhP 500,000,000.00) PESOS in lawful money of the Philippines, divided into FIVE MILLION (5,000,000) shares with the par value of ONE HUNDRED (PhP 100.00) pesos per share	19-Jan-16
143	POWER PARTNERS LTD.CO. <b>(Amendment)</b>	this Bureau interposes no objection to the amendment thereof	21-Jan-16
144	AQA GREEN RENEWABLE ENERGY, INC.	to carry on the general business of generating power, derived from hydroelectric, geothermal, biomass, wind, solar, nuclear, and other viable sources of power, for lighting and power purposes and whole selling the electric power to any power corporation, public electric utilities and electrical cooperatives, and for the carrying on of all business incident thereto, and to acquire, build, construct, own, maintain and operate all necessary and convenient buildings, structures, Dows, machinery, sub-stations, transmission lines, poles, wires and other things and devices , and to acquire and hold water and flowage rights and to acquire, lease, hold, occupy or use rights of way and easements therein	21-Jan-16
145	GNPOWER MARIVELES COAL PLANT LTD. <b>(Amendment)</b>	this Bureau interposes no objection to the amendment thereof	25-Jan-16
146	GNPOWER DINGININ LTD. CO. <b>(Amendment)</b>	this Bureau interposes no objection to the amendment thereof	25-Jan-16
147	TRANS-ASIA RENEWABLE ENERGY CORPORATION <b>(Amendment)</b>	is FIVE BILLION PESOS (PhP 5,000,000,000.00) Philippine Currency, composed of TWO BILLION (2,000,000,000) common shares with a par value of ONE PESO (PhP 1.00) per share and THREE BILLION (3,000,000,000) preferred shares with a par value of ONE PESO (PhP 1.00) per share	27-Jan-16
148	GDF SUEZ ENERGY PHILIPPINES, INC. <b>(Amendment)</b>	the authorized capital stock of the corporation is ONE HUNDRED SIXTY FOUR MILLION FIFTY THOUSAND PESOS (PhP 164,050,000.00), Philippine Currency, consisting of One Million Six Hundred Forty Thousand Five Hundred (1,640,500) shares, with a par value of ONE HUNDRED PESOS (PhP 100.00) per share	2-Feb-16
149	SUPERSERVE CORPORATION <b>(Amendment)</b>	To engage in the business of developing and operating conventional and renewable energy resources, sell electricity and carbon credits, act as a wholesale and retail electricity supplier and aggregator, engage in the operation and maintenance of power plants and to purchase or otherwise acquire, for the purpose of holding or disposing of the same, shares of stock, equity, rights and property of any person, firm, association or corporation engaged in industries or activities related to energy development, paying for the same in cash, shares of stocks, or bonds of this corporation	2-Feb-16
150	DINGININ POWER HOLDING LTD.CO. <b>(Amendment)</b>	this Bureau interposes no objection to the amendment thereof	3-Feb-16
151	PHILIPPINE HYBRID ENERGY SYSTEMS, INC. <b>(AMENDMENT)</b>	to design, erect, assemble, commission, and operate wind, diesel turbine and other power-generating plants and related facilities for the conversion into electricity of distillate and other fuels provided by and under contract with the Government of the Republic of the Philippines, or any subdivision, instrumentality or agency thereof, or any government-owned or controlled corporation, or other entity engaged in the development, supply, or distribution of energy, including the importation of plants, machineries, equipment, and any and all implements necessary, requisite, indispensable, essential, and incidental for the operation and maintenance of its power generating businesses and other matters related to but not confined to energy related businesses	3-Feb-16

LIST OF GENERATION COMPANIES ISSUED WITH 2ND INDORSEMENT (1st Indorsement by the Securities and Exchange Commission) as of July 2015			
	NAME of COMPANY	PRIMARY/SECONDARY PURPOSE	DATE ISSUED
152	RA POWER PHILIPPINES, INC. (Beyond Jurisdiction)	is to engage in the business of supplying, refurbishing, upgrading, installing, servicing and/or commissioning of power plants.	3-Feb-16
153	SAN FERNANDO ELECTRIC LIGHT & POWER CO., INC. (Amendment)	the place where the principal office of the corporation is to be established is in Limjoco Street, Teopaco, Brgy. Lourdes, San Fernando City, Province of Pampanga	4-Feb-16
154	TOTAL POWER, INC. (AMENDMENT)	to buy, acquire, lease, construct, maintain and operate plants, work systems, poles, poles wire, conduit, ducts and subway for the production, supply, distribution and sale of electricity for light and power and any other use to which electricity may or may be applied and/or to engage in the business of developing, acquiring, disposing, selling, operating of Diesel Power Plants, trading of Renewable Energy Systems and Power Plants; and its corresponding Balance of Systems which include but not limited to: transformers, substations, wires, cables, frames, etc.	10-Feb-16
155	HANSEI POWER SYSTEMS CORPORATION (Amendment)	That the place where the new principal office of the Corporation was established or located is at Unit 307 FSS Building II, No. 18 Sct. Tuason St. cor. Sct. Castor Sts., Brgy. Paligsahan, Quezon City, Philippines	11-Feb-16
156	OCEAN EAGLE ENERGY PHILIPPINES, INC.
